

*Know how to
report and track
an outage!*

Download the [PSE&G mobile app](#) and log in using your *My Account* password to report and track an outage, including restoration times, crew status and more.

Register for [MyAlerts](#) to report outages and get text/email updates about the status of your outage. Just text "REG" to 4PSEG (47734). Report an outage by texting "OUT" to 4PSEG.

Visit our [Outage Center](#) to report an outage, view our [Outage Map](#) for outage information and restoration times. You can also access important safety information to help you before, during and after a storm.

Log in to [My Account](#) to report an outage or view outage status.

Report a power outage and check the status of an outage with an [Amazon Alexa](#) device or app.

Call PSE&G's Customer Service line at 1-800-436-PSEG (7734).
