

WATCHUNG RECREATION
COORDINATOR'S REPORT
April 2, 2014

1. Camelback Mountain contacted the Borough to inform us of a discrepancy in the payment made during our trip to their facility on February 9th stating that an error had been made in the final total. They informed the Borough that we owed an additional \$24.00. The adjustment was made with a purchase order produced on March 19, 2014. The total cost of the trip to the Borough now comes to \$89.00.
2. The Thorguard Lighting System Company has been contacted for the yearly inspection at Phillip's Field. The system will be cleaned, the battery will be put in place and the unit will be turned on in time for Little Leagues Opening Day which is scheduled for April 5th.
3. Opening Day will continue as scheduled although a Field Agreement is not in place with the Board of Education and Watchung Borough. The final details of the agreement are being worked out at this time. All the paperwork for the Field Use Agreement is in place at Borough Hall for Little League, including the Certificate of Insurance and the Hold Harmless Agreement.
4. Public Works will be turning on the water at Mobus and Phillip's fields on April 1st as well opening the Tennis Courts at that time.
5. The ticket purchase for the Yankees vs. Mets game on May 12th is in the process. The bus has been reserved with a deposit and the tickets will be offered to the town sometime before the end of the week as a paypal account needs to be set up through finance. Tickets will be offered for through the schools, on our website and facebook at \$65.00 pp which will include the bus transport to and from the game. The bus will leave around 4:00 pm from the Police parking lot and return to the PD after the game. One ticket will go to the bus driver with a \$50.00 tip. If the 49 remaining tickets are sold there will be a total of \$29.00 left over to purchase waters and snacks for the ride. Bill Jacques offered to handle the trip on the day of the event, making sure all purchased tickets are distributed and all participants are on the bus before and after the game. B. Jacques will receive the four complimentary tickets that the Borough will receive for running the trip which would be valid for use at a future game only.

6. Approximately 100 letter were sent out on March 25th to businesses in town asking for sponsors to our Community Picnic. The letters provided sponsorship opportunities for businesses as well as an opportunity to supply coupons, flyers, menus, brochures, balloons or anything with their business logo or they could set up a table at the event with handouts or donations. Only donations will be accepted as no sales will be permitted at the event as it will continue to be a free event for our residents. So far Weldon Quarry has made a donation of \$1000.00 for this event.
