

## **Somerset County Adds COVID Vaccination Clinics as Families Prepare for Summer Fun**

*As the Weather Warms and People Get Together,  
It's Important to Be Vaccinated and Boosted to  
Protect Yourself and Your Loved Ones*

**Senior Wellness Center at Bridgewater  
476 E. Main Street**

**Wednesdays: July 6, and July 20, between 4 - 7:30 p.m**

In addition to regularly scheduled clinics, the Somerset County Department of Health holds mobile clinics - Communities, houses of worship, or organizations who are interested in hosting a COVID vaccination clinic should call the county at (908) 231-7155 for more information.

Proof of vaccination, if previously administered, is required. Vaccine availability and eligibility requirements vary from clinic to clinic, residents are encouraged to ask about clinic guidelines in advance. Those under the age of 18 must have parental or legal guardian consent and presence at the clinic.
