Points for discussion:

**Holiday decorations**

- We need to purchase two new trees for Borough Hall since the old ones no longer light properly.
- We need to purchase 6 wreaths to replace the ones that have faded or are broken.
- We also need to purchase containers for storage of our decorations to make storage on the third floor more organized and identifiable.
- We have some ideas for the fence in the Village Square but will need to take an inventory of what we have to make decisions on how to proceed.
- Date for decorating is tentatively November 19<sup>th</sup> 11 a.m.

**Projects that need attention:**

- Behind the Texier House and the stream by the Texier House/Weichert Realty there is a great deal of vines and debris that need to be cleaned up.
- The stream by Boro Hall also needs cutting back and the vines are strangling the bushes there which need to be cut back as well.
- The Zoning Officer needs to look at the fence along Spratford Park and the gas station which is in need of repair/painting or replacement. We believe it is on the gas station property.

Meeting adjourned 8 p.m.

Respectfully submitted,  
Mary Ann Weber
